

MANIFESTS

Licensed transporters of nonhazardous waste have the option to use manifests provided by the Department, or to use alternative manifest forms of their own, subject to Department Approval.

Refer to Section 6 of the Nonhazardous Waste Transporter Licenses for further information about manifests, including exemption, or call (207) 287-2651.

Return this form with your license application to indicate your preference for manifests, and to order manifest forms.

() Check here if you will be using Alternative manifest forms. You must submit a copy of your proposed alternative manifest with the license application for Department approval.

() Check here if you will be exempt from manifests because you haul only Category B Waste.(Chapter 411, Section 6(B)(2)).

() Check here if you are requesting an exemption from manifests pursuant to Chapter 411 Section 6(D). Requests for exemption to manifests must be received and approved prior to transportation of subject wastes.
